Quick Olympic AISI 316L Stainless Steel Anchor - 7KG Polished

Product price:

£967.10 tax included

Product codes:

Reference: 690-FYANLY007XP0A00
EAN13: 08057090261530
UPC: - MPN: FYANLY007XP0A00

Product short description:

Olympic Anchors shape and size are proportioned in order to have a greater quantity of lead on the front of the fluke. This weight distribution choice allows for (in a compact size) a center of gravity more projected towards the tip thus increasing its penetrating capacity.
