Digital Yacht CO Alert - NMEA 2000 Carbon Monoxide Detector

Product price:

£300.00 tax included

Product codes:

Reference: 144-DIGCOALERT
EAN13: 00703791696581
UPC: - MPN: ZDIGCOALERT

Product short description:

CO Alert creates a standard NMEA 2000 alert PGN which allows pop up alarms on compatible MFDs. The system can also be expanded further with Digital Yacht's NavAlert general purpose alert and monitoring device and their 4GX/5GX internet access systems. With this combination SMS messages can be generated for a CO Alert and sent to a remote phone.
