Quick WCB Hydraulic-Magnetic Circuit Breaker For DC Current - 100A

Product price:

£147.47 tax included

Product codes:

Reference: 690-FDWCB1000000A00
EAN13: 08057090199338
UPC: - MPN: FDWCB1000000A00

Product short description:

Quick slow burn hydraulic magnetic circuit breakers offer protection when using direct currents. In over current situations they will trip break the circuit and protect the equipment. They may be reset manually and are suitable for up to 80V DC.
