Victron SmartSolar MPPT 250/60-Tr

Product price:

£480.00 tax included

Product codes:

Reference: 792-SCC125060221
EAN13: 8719076050841
UPC: - MPN: SCC125060221

Product short description:

A solar charger gathers energy from your solar panels and stores it in your batteries. Using the latest fastest technology SmartSolar maximises this energy-harvest driving it intelligently to achieve full charge in the shortest possible time. The SmartSolar MPPT 250/60-Tr maintains battery health extending its life.
