Quick Galvanized Steel Plow Anchor - 4KG

Product price:

£141.59 tax included

Product codes:

Reference: 690-FVSANDTZN040B00
EAN13: 08057090159127
UPC: - MPN: FVSANDTZN040B00

Product short description:

The Galvanized Plow shaped anchors leads the way in innovative anchor engineering. The high-grade manganese steel used in the construction of the Plow anchor gives it maximum tensile strength. Its unique shank profile and ballasted tip make the Plow anchor self-launching. The low center of gravity and self-righting geometry ensure that the Plow anchor will set immediately.
