Product short description:

Panel-Mount 3.5mm Audio Aux in connector. These panel-mount jacks facilitate the creation of a permanent port for a wide variety of audio sources. The product is designed to be mounted to any flat surface up to 1? thick. Mounting requires a 1.125? hole and is tightened into place with a plastic wing-nut on the opposite side of the mounting surface. A labeled rubber cover with a tight-fitting seal provides protection against the elements.
