EAN13: 08719076016717
UPC: - MPN: ORI121210110

Product short description:

Input voltage range: 8-17 V.

Under voltage shut down / restart: 7 V / 7 5 V.

Nominal output voltage: 12 2 V.

Output voltage adjust range: 10-15 V.

Output voltage tolerance: +/- 0 2 V.

Output noise: 2 mV rms.

Cont. output current at nominal output voltage and 25°C: 9 A.

Maximum output current (10 s) at nominal output voltage: 12 5 A.

Short circuit output current: 32 A.

Cont. output power at 25°C / 40°C: 110 W / 85 W.
