Victron Argofet 200-2 2 batteries 200A Isolator

Product price:

£138.00 tax included

Product codes:

Reference: 792-ARG200201020
EAN13: 08719076019138
UPC: - MPN: ARG200201020

Product short description:

Similarly to diode battery isolators FET isolators allow simultaneous charging of two or more batteries from one alternator (or a single output battery charger) without connecting the batteries together. Discharging the accessory battery for example will not result in also discharging the starter battery.

In contrast with diode battery isolators FET isolators have virtually no voltage loss. Voltage drop is less than 0 02 Volt at low current and averages 0 1 Volt at higher currents.
