Rebelcell 12V80 Pro Lithium Battery - 12V 80A 1.01kWh

Product price:

£1,199.00 tax included

Product codes:

Reference: 660-12080RELIBTA
EAN13: 07106623692301
UPC: - MPN: 12080RELIBTA

Product short description:

The 12V80 PRO is a powerful LiFePO4 battery specially developed as an “all in one” battery: both for starting an outboard engine up to 350HP and / or as power supply for (multiple) depth sounders and / or trolling motor. The 12V80 PRO is a ‘drop in’ replacement for a start / service lead battery and can be charged via the outboard engine.
