Quick AISI 316 Stainless Steel Plow Anchor - 10KG

Product price:

£734.15 tax included

Product codes:

Reference: 690-FVSANDTX0100B00
EAN13: 08057090159035
UPC: - MPN: FVSANDTX0100B00

Product short description:

The Plow shaped anchor leads the way in innovative anchor engineering. The high-grade manganese steel used in the construction of the Stainless Steel Plow anchors gives it maximum tensile strength. Its unique shank profile and ballasted tip make the Plow anchor self-launching. The low center of gravity and self-righting geometry ensure that the Plow anchor will set immediately.
