# Victron MultiPlus-II 24/3000/70-32 230V GX Inverter Charger

**Product price:**

## £1,051.20 tax included

**Product codes:**

Reference: 792-PMP242306000
EAN13: 08719076051695
UPC: - MPN: PMP242306000

**Product short description:**

An Inverter/Charger with device networking built-in the MultiPlus-II GX communicates with a solar charger batteries and other devices to control a grid-connected off-grid or remote power installation. Capable of parallel operation for increased power output or battery charge-rates the MultiPlus-II GX can also be configured for three-phase supply. A host of advanced features such as uninterrupted power supply setting load limits and supplementing limited grid-power availability with battery power can all be controlled straight from your phone or smart device. Remote monitoring is also possible.
