**Product short description:**

A bundle featuring everything your child needs to enjoy cycling safely. Shock absorbing EPS helmet with a tough easy-to-clean Micro-shell. Features an adjustable quick release chin strap with soft anti-abrasive chin padding for comfort and safety. Bug free ventilation thanks to the bug net. Attractive Little Rocket graphics for young boys. Front and rear twin LED Light set which wraps around handlebar or any frame tube to improve visibility in low light conditions. Quick and easy to remove and fits nicely into your pockets to avoid theft.
