Quick Galvanized Steel Plow Anchor - 10KG

Product price:

£260.75 tax included

Product codes:

Reference: 690-FVSANDTZN100B00
EAN13: 08057090159103
UPC: - MPN: FVSANDTZN100B00

Product short description:

The Galvanized Plow shaped anchors leads the way in innovative anchor engineering. The high-grade manganese steel used in the construction of the Plow anchor gives it maximum tensile strength. Its unique shank profile and ballasted tip make the Plow anchor self-launching. The low center of gravity and self-righting geometry ensure that the Plow anchor will set immediately.
