Product codes:

Reference: 330-PS310-24
EAN13: 04909723135609
UPC: - MPN: PS310.001

Product short description:

DC-DC Converter PS-310 - The PS-310 DC-DC converter supplies a stable 12.6 V of power to the GM600 from either a 12 V or 24 V power source (depending on version) and provides a floating ground connection. The PS-310 protects the radio from momentary power interruption. The PS-310 must be used with the GM600 for MED certification compliance.
