Product price:

£250.80 tax included

Product codes:

Reference: 792-ASS030543020
EAN13: 8719076053644
UPC: - MPN: ASS030543020

Product short description:

Victron believe that having insight into your installation is a key factor in maintaining and operating your off-grid energy solutions. Off-grid should not mean off-line so they have created the GlobalLink 520. This device will bring 4G LTE-M connectivity to all VE.Direct enabled devices without any monthly fees or subscriptions for the first five years.
