Victron Battery Protect 12/24v - 65A

Product price:

£42.00 tax included

Product codes:

Reference: 792-BPR000065400
EAN13: 08719076034193
UPC: - MPN: BPR000065400

Product short description:

Maximum continuous load current: 65A.

Peak current: 300A.

Operating voltage range: 6 –35 V.

Current consumption: 1.5mA when on / 0.6mA when off or low voltage shutdown.

Alarm output delay: 12 seconds.

Load disconnect delay / Load reconnect delay: 90 minutes (immediate if triggered by the VE.Bus BMS) / 30 seconds.

Default threshold - Disengage: 10 5V or 21V Engage: 12V or 24V.

Connection: M6.

Dimensions (HxWxD) / Weight: 59 x 42 x 115 mm / 0.2 kg.
