Victron Digital MultiControl 200/200A GX

Product price:

£135.60 tax included

Product codes:

Reference: 792-DMC000200010R
EAN13: 08719076017011
UPC: - MPN: DMC000200010R

Product short description:

The Digital Multi Control Panel GX is the same as the previous version but with a new design. An extra advantage of this panel is the easy mounting: the included mounting frame allows the user to mount the panel from either front or back side. Due to the mounting frame the mounting holes will no longer be in sight. The body of the GX panel is made of plastic which makes the panel lighter and adds a modern look to the panel.
