Oxford HotGrips Advanced Sports (UK Specific)

Product price:

£100.00 tax included

Product codes:

Reference: 590-EL692UK
EAN13: 05030009097485
UPC: - MPN: 590-EL692UK

Product short description:

Advanced Sports HotGrips have ergonomically engineered surface structures to optimise riding performance. Soft ultra-grippy diamond tread is inspired by race grips for comfort and feedback. The grip length is 123mm but can be trimmed to 114mm if required and has open ends so that bar end weights can be fitted.
