Product price:

£10.00 tax included

Product codes:

Reference: 735-SFF
EAN13: 05052076000014
UPC: - MPN: SFF

Product short description:

Snowbee's Ogden's fly floatant is based on an old favourite formula with a few modern tweaks to produce what is undoubtedly the best fly floatant. A single application prevents hackles getting waterlogged and keeps dries floating high all season through.
