UPC: - MPN: 1107301-10

Product short description:

The Granite name makes a comeback with new models to the Snowbee wader range. Manufactured from a durable heavy-duty hard-wearing reinforced PVC laminate which despite being as tough as it gets is also extremely soft light and flexible for added comfort.

The outer PVC layer is laminated to a tough woven nylon inner lining making the material super-strong and almost rip-proof whilst remaining light weight.
