Snowbee Prestige G-XS 11ft 6 Graphene Fly Rod

Product price:

£600.00 tax included

Product codes:

Reference: 735-10229
EAN13: 04710681102295
UPC: - MPN: 10229

Product short description:

Unleash the hidden energy in these rods with a smoothness you will not believe. The graphene construction provides a smoothness unsurpassed by any other material. You will quickly come to appreciate the unrivalled power and control only available with this remarkable new technology. Designed with progressive tip action and sufficient flex to generate maximum line speed and distance.
