Product short description:

Studded Felt Sole version of the Stream Trek Wading Boot. This new integrated felt sole with 304 grade stainless steel screw in studs gives fantastic grip and also allows for simple removal and replacement of studs if fishing from a boat to avoid damage. Supplied with stud socket tool to facilitate easy removal.

Note: If wearing with Stockingfoot waders please ensure that you order a boot at least 1.5 sizes larger than your normal shoe size.
