Product short description:

The XS-tra Grip Rubber Sole Mk2 version of the Stream-Trek Wading Boot. This innovative sole features a deep tread pattern moulded in a high-grip rubber componud. The sole pattern incorporates circular turrets to take scerw-in studs. These give the studs extra support and allow studs to be replaced easily when worn down.

Note: If wearing with Stockingfoot waders please ensure that you order a boot at least 1.5 sizes larger than your normal shoe size.
