Product price:

£60.00 tax included

Product codes:

Reference: 735-DT6F
EAN13: 05052076003053
UPC: - MPN: SPFL-DT6F

Product short description:

Incorporatinting all the superb properties of the origional Snowbee XS Weight Forward Floating line but in a double taper profile. One for the traditional angler where gentle taper and fly presentation is still everything and great for delicate spider and dry fly fishing in particular.
