Product price:

£65.00 tax included

Product codes:

Reference: 735-WF7BT2
EAN13: 05052076011911
UPC: - MPN: SPFL-WF7BT2

Product short description:

This big brother to the original Buzzer line is a Sink-Tip line which exhibits superb casting performance. With a longer 10' tip which will hold longer sub-surface giving straight line contact with the fly to avoid missed takes whilst depth control is achieved through speed of retrieve. Ideal for serious trout great in a bigger wave and fishing deeper than the original version and casts even better than the original Countdown options it replaces.
