Nasa Electromagnetic 3 Log & Data Box with Clipper Duet

Product price:

£364.36 tax included

Product codes:

Reference: 523-EML3-PULSE+DUET
EAN13: 00794712635673
UPC: - MPN: EML-3 PULSE + DUET

Product short description:

Supplied with the EML-3 electromagnetic transducer the log measures the boat speed through the water with no moving parts. Robust and accurate the sensor generates an alternating magnetic field below the boat and measures the resulting electric field produced by the boat moving through the water.
