Product short description:

The new optional HM195G Command Mic makes it convenient for using the IC-M423GE from a separate cabin or tower. The Command Mic can be positioned up to 18.3m (60ft) away from the IC-M423GE. All functions of the IC-M423GE including power switch distress call DSC and PA functions can be controlled from the Command Mic. The Command Mic can also be used as an intercom with the IC-M423GE.
