Garmin Reactor AutoPilot Solenoid Power Cable

Product price:

£49.99 tax included

Product codes:

Reference: 230-0101153311
EAN13: 0753759338756
UPC: - MPN: 010-11533-11

Product short description:

This power cable integrates protection diodes and self-healing fuses to protect the ECU from hazardous voltages generated by hydraulic solenoid coils when used in a solenoid configuration. For use with the Garmin GHP Reactor Mechanical / Solenoid / Retrofit corepack.
