Reference: 230-0100122800
EAN13: 00753759112233
UPC: - MPN: 010-01228-00

Product short description:

Designed for racing sailboats the gWind Race features a 1 meter straight pole to raise the transducer above the mast to remove turbulence errors. Features twin-fin technology with 3-bladed propeller for more accurate TWS in lighter air while the twin-fin design gives a more stable TWA. The 3-bladed propeller unlike a cups design is always efficient.
