Alfatronix Powerverter IP65 Isolated 24-12VDC Converter - 72W (6A)

Product price:

£124.00 tax included

Product codes:

Reference: 011-PV6I-RU
EAN13: -
UPC: - MPN: PV6i-RU

Product short description:

All Ruggedised PowerVerters are enclosed in a durable IP65 rated aluminium extrusion. The low mass Surface Mount Technology components are also less prone to damage from vibration and shock further increasing the reliability of the units.
