Product price:

£309.95 tax included

Product codes:

Reference: 545-OC15SUK27E
EAN13: 00628309166595
UPC: - MPN: OC15SUK27E

Product short description:

Typically one of the most complex and time consuming aspects of autopilot installation is fitting the rudder feedback unit and ensuring that the geometry matches the full range of rudder movement. The solution is an integrated rudder feedback unit that directly mounts to the drive unit itself.
