Product price:

£21.60 tax included

Product codes:

Reference: 792-ASS070300100
EAN13: 08719076052777
UPC: - MPN: ASS070300100

Product short description:

In the Orion-Tr Isolated DC-DC Chargers the remote on/off circuit is referenced to the primary battery (e.g. starter battery). The Orion-Tr DC-DC Charger Isolated remote cable is intended for applications where the remote on/off signal is referenced to the secondary battery (e.g. lithium battery with BMS).
