Product short description:

The Apache Moose Gybe Mens Deck Shoe are hand sewn moccasins constructed in a traditional fashion, moulded to the shape of the foot creating hard wearing and comfortable shoes. With American rawhide leather laces that thread through and around the shoe to give the wearer maximum adjustment to tailor them to their foot. Complete with rust proof eyelets and non marking siped rubber outsoles giving excellent traction and durability.

- Siped non slip, non marking rubber sole
- Salt resistant leather
- Rustproof eyelets
- Premium nubuck and pullup leathers
