Marine 2T DFI Motor Oil

Product price:

£69.99 tax included

Product codes:

Reference: LM25063
EAN13: -
UPC: - MPN: -

Product short description:

Semi-synthetic, ultra-high-performance 2-stroke motor oil specially developed for the marine sector. Specially developed to satisfy the complex requirements of the latest generation of direct injection engines. Ensures optimum lubrication even at high operating temperatures, guarantees maximum engine and piston cleanliness and low-fuming combustion.

- outstanding engine cleanliness
- excellent corrosion protection
- for separate and mixture lubrication
- optimum lubrication under all operating conditions
