Product short description:

Fit accessories like rod holders, bait boards, fish finders and more to RIB or Inflatable boats, SUPs and kayaks without hassle or messy glues. The new 3M VHB pad allows you to peel and stick the RIBPort mount, then fit any of your favorite RAILBLAZA accessories. The 3M VHB is now supplied with every RIBPort pack.

- StarPorts can now be easily fitted to RIBs without having holes cut into the tubing
- Low profile surface mount & minimal intrusion depth when recess mounting
- Includes a stylish locking slide for securing accessories firmly in place
- Gasket and bung reduces water ingress.
