Product short description:

This bait and fillet table from RAILBLAZA provides a sturdy station for cutting bait and cleaning or filleting fish, which can be easily attached to your boat or dinghy.

- Knife storage - at the back for safety
- An all-round drain that stops spill from the front
- No front lip to get in the way while filleting
- Easy-fit overboard drain, simply knock out the plug, and add a ¾in hose
- Requires StarPort mounting point
