Product short description:

The RAILBLAZA RailMount 32-41 is a base mount that allows the secure and easy attachment of any RAILBLAZA accessories to your rails. The RailMount can be fitted to both round and square boat rails, with the 32-41 being specifically designed to fit the Aka rails and H-Rails on Hobie kayaks.

- Strong
- Quick to fit
- No clearance required underneath, the 2 screws are fitted from the top
- Greater gripping power with the addition of grip tape.
- Fits round and square rails 32mm to 41mm
- Supplied individually
- StarPort included
- Available in Black or White
