Product short description:

Connect it with a Clevis. There are many uses for a clevis, and we're sure you will find more uses than we can think of! The RAILBLAZA Clevis is the simple way to attach a Bimini, and remove with a quick flick of the StarPort locking slide, no screws or tools required!

- Attach a bimini, kayak sail, light pole or many other items to your boat, kayak, or anything else.
- Easy to mount thanks to the StarPort fitting
- Supplied in pairs
