Product short description:

The Drink Hold from RAILBLAZA is a convenient, easily attachable drink holding accessory for keeping your drink always within arms reach on the water.

- Made in New Zealand from high quality, UV proof plastic
- Fit to boats, inflatables, kayaks, fibreglass or even put it in a sheet winch!
- Fits any RAILBLAZA port, easily removed and stowed when not in use
- Holds bottles, coffee mugs & glasses
- Easily converts to Base Or Side Mount
