Product short description:

The Orca Bay Squamish Deck Shoe is a real classic, yet a modern deck shoe offering a more supportive insole. Squamish takes features often found on a training shoe and introduces them to a deck shoe, giving great performance on board.

- Double and hand stitched for extreme comfort and durability
- Shock absorbing heal cup for even more comfort
- Non marking rubber outer-soles, razor cut for wet and dry grip on and off the boat
- Rust proof eyelets
- Strong rawhide leather laces
