Furuno PG-500 Precision Fluxgate Compass - NMEA 0183

Product price:

£1,045.20 tax included

Product codes:

Reference: 260-IMD01665001
EAN13: -
UPC: - MPN: IMD01665001

Product short description:

The PG-500 is a rate compensated heading sensor that incorporates innovative electromagnetic compass technology for highly accurate and stable readouts of your ship's heading. These sophisticated components are contained within a rugged compact case. Unique design elements make the PG-500 virtually maintenance-free and easy to install.
