Furuno PG700 Integrated Heading Sensor

Product price:

£537.60 tax included

Product codes:

Reference: 260-IMD03221001
EAN13: -
UPC: - MPN: IMD03221001

Product short description:

Fluxgate magnetic sensor with enhanced stability by a solid-state rate gyroscope. These sophisticated components are contained within a rugged compact case. Unique design elements make the PG-700 virtually maintenance-free and easy to install. The PG-700 heading sensor detects terrestrial magnetism and produces compass data that can be utilized in CAN bus network.
