Reference: 230-0100279408
EAN13: 00753759302924
UPC: - MPN: 010-02794-08

Product short description:

This corepack is an ideal autopilot solution for single-engine outboard boats that are less than 25" long. It provides relief from manually holding the wheel to maintain course especially when cruising at moderate to high speeds. Tthe GHC 50 autopilot instrument adds a dedicated touchscreen autopilot display to the helm. Plus the GHC 50 shares data and settings with Garmin MFDs and other installed Garmin devices.
