Raymarine AR200 Augmented Reality Stabilisation Module

Product price:

£565.00 tax included

Product codes:

Reference: 705-E70537
EAN13: 00723193828724
UPC: - MPN: E70537

Product short description:

The AR200 is an Augmented Reality Sensor consisting of a Global Navigation Satellite Systems (GNSS) Receiver and an Attitude and Heading Reference System (AHRS) sensor. The AR200 provides position heading pitch and roll data to compatible Axiom MFDs. When combined with a compatible IP camera the AR200 enables use of the ClearCruise Augmented Reality features available on your Axiom MFD.
