£329.99 tax included

Product codes:

Reference: 230-0100261200
EAN13: 00753759324261
UPC: - MPN: 010-02612-00

Product short description:

Increase the number of available network ports in a Garmin BlueNet network. Once you've used all the ports on your compatible chartplotter just add a Garmin BlueNet 20 switch to the setup and keep constructing your expansive high-speed network.
