Reference: 230-0101211710
EAN13: 00753759119478
UPC: - MPN: 010-12117-10

Product short description:

The internal batteries of the gWind Wireless are continuously charged by a small solar panel integrated on the transducer arm and have a life of around 3 to 4 years. But when the time comes to replace them they can be easily replaced with this NiMH battery.
