Glomex 455 x 150 x 13 mm Rectangular Ground Plate

Product price:

£846.95 tax included

Product codes:

Reference: 245-RA207
EAN13: 08051566301713
UPC: - MPN: RA207

Product short description:

Earthing or ground plates are a necessary interface between on board electronic devices and the heat sink: water. Glomex earthing plates are made of golden sintered bronze that is they consist of a million microspheres creating a surface 10 times bigger than the actual one. They can have either a rectangular or a circular shape and are fastened to the hull by means of bronze bolts and nuts highly resistant to corrosion and rubber spacers. The exclusive shape offered by Glomex assures a larger surface and a better strength.
