Product price:

£285.00 tax included

Product codes:

Reference: 705-A25062
EAN13: 00723193250624
UPC: - MPN: A25062

Product short description:

SeaTalkNG is a robust cabling and connection system compatible with NMEA 2000 built specifically for the marine environment comprising a powered single backbone with two terminators one at each end. Small diameter cable connectors are used throughout the system to make installation easier. There’s a wide range of cable lengths all with over-moulded plugs so there is no need to cut or splice cables.
