Product short description:

Don't let a cloudless day scorch your guests: the Wenzel Smartshade Canopy is here to help. In just minutes this easy-assembly canopy provides 100 square feet of protection from rain and summer heat. The legs of this unit are crafted from steel with quick-release buttons for simple adjustments and stabilizer arms to prevent wobbling. Thick polyester comprises the canopy both waterproof and UV-resistant to provide shade. A wheeled duffel bag is included for transportation.
