# Alfatronix ICi Series Intelligent Battery Charger 12-12V - 72w (6A)

**Product price:**

## £162.00 tax included

**Product codes:**

Reference: 011-ICI12-12072
EAN13: -
UPC: - MPN: ICi12-12 072

**Product short description:**

While many applications can be supplied using a standard voltage converter or stabiliser sometimes there can be a requirement to charge one DC battery from another in order to provide independent power. The Alfatronix range of DC-DC chargers are based on the very successful PowerVerter range but configured to offer a four stage charging program that will ensure that batteries are charged to a maximum capacity providing long term reliable power.
